

The Reminder

October 2024

Senior Men's Club, Birmingham, Michigan

President's Letter

Football season is well underway and the optimism for the Lions is at an all time high in my lifetime. For the first time in several years, we are still watching the daily baseball scores as the Tigers go into the last few weeks of the season looking for a playoff spot. For the SMCB, golf season is about done (except for the diehards that play whenever there isn't snow on the course) and bowling has started. The remaining months of 2024 are packed with activities, culminating with the Holiday Party on December 11. I encourage everyone to attend that event.

One of my priorities for the year was to find a way to keep in better contact with some of our members that can't get out like they used to and don't always access our electronic communications. Malcolm Hendy has championed this cause that we now call Member Outreach. It was agreed with V&H chair, John Paesano, that this activity would fall under his committee. One of the first things we need to do is to help identify those members (especially life members) that aren't getting or reading our communications or may need help to get to activities. If you know of any member in this situation, please contact the V&H committee. There will be more information on this activity in the future.

I would encourage everyone to look at all of our activities and see if there is one or more that you might want to get involved with. There is a lot going on in the next few months and whether it is going to one of the special events, attending Friday meetings, or going to one of the activity groups, the more you put into the club, the more you get out of it.

Foundation Grant to Matchan Nutrition Center

"We welcome your support!"

Matchan Nutrition Center

The Matchan Nutrition Center was founded by three men in 1984. One of the men is our SMC member Frank Schmidt. Frank manages the center to meet the needs of citizens of Pontiac, many of whom are senior men. The Matchan Nutrition Center is under the umbrella of the St. Vincent de Paul organization and uses the facilities of All Saints Episcopal Church in Pontiac.

"THE MISSION OF THE MATCHAN NUTRITION CENTER IS TO SERVE HOT, WELL-BALANCED MEALS TO OUR NEIGHBORS IN NEED, OFFER GROCERIES FOR THEIR HOME AND TO PROVIDE OTHER LIFE CHANGING ASSISTANCE THAT LEADS TO SELF-SUFFICIENCY LOCALLY IN OAKLAND COUNTY."

On September 17, the Senior Men's Club Foundation awarded The Matchan Nutrition Center a \$5,000 grant. The vote was unanimous. Members of the SMCF Board visited the center multiple times. They were struck by the need of those receiving the aid and the scope of the center's operation. Every Tuesday and Thursday 125 to 175 individuals line up well before the doors open at 10:30 a.m.. People pick up the groceries, toiletries, and clothing they need, then go to the third floor and are served a hot lunch prepared by the many volunteers that work there. The need is clear and sizable.

I can not do all the good that the world needs. But the world needs all the good I can do.
- Jana Stanfield

SPECIAL EVENTS

OCTOBER OPPORTUNITY: SEE THE NEW ART OF DINING EXHIBITION AT THE DETROIT INSTITUTE OF ARTS WITH THE SENIOR MEN'S CLUB ON OCTOBER 16 – FOR ONLY \$5.00

At the lunch meeting on September 27, Katherine Kasdorf, Associate Curator of Arts of Asia and the Islamic World for the Detroit Institute of Arts, gave club members an overview of the new The Art of Dining: Food Culture in the Islamic World exhibition at the museum. The exhibition includes more than 200 works highlighting the rich history of culinary and artistic traditions from the Middle East, Egypt, Central and South Asia, and beyond. Dr. Kasdorf discussed highlights from the planning process for the exhibit and took us through a deeper dive into some of the featured works of art.

Now, let's go to the DIA and see it! We will have that opportunity as a club to do that on Wednesday, October 16. We will depart from the rear parking lot at The First Presbyterian Church, 1669 West Maple in Birmingham, at 12:15 p.m. in our usual Carr's motor coach for the trip to the DIA. At the DIA, your admission is free. Dining is on your own and optional. There are two food service locations in the museum. You will have ample time to see The Art of Dining as well as explore any of the other treasures of this world-renowned museum. In addition, the DIA is extending to Senior Men's Club attendees a 10% discount on purchases at the museum gift shop. Our bus will leave the DIA at 3:00 p.m. for the return trip to Birmingham.

This great opportunity is available for the exceedingly nominal fee of \$5.00 per person, with everything included. The ticket price enables the club to cover incidentals relating to the transportation. Your check should be made payable to the Senior Men's Club of Birmingham. Tickets for this event are limited to a maximum of 50 attendees, and will be sold at Friday club meetings prior to October 16. For more information, contact Peter Hollinshead (phollinshead@comcast.net) or Swarn Rajpal (SwarnRajpal7@gmail.com).

SMCB Sergeant At Arms Request

I was proud and honored to lead the Veterans, and non-Veterans of the SMCB in the 2023 and 2024 Celebrate Birmingham parades in June, and the 4th of July parades in Clawson.

Many had never been in a parade before. The Veterans were very happy to be greeted and applauded by the spectators along the route. A number said it was the first time they'd ever been thanked for their service. The non-Vets were proud to show their support

of our Veterans. It was good time had by all.

I believe it's very important for us, Vets and non-Vets alike to get out into the communities and show our colors in community events.

I will be registering the SMCB to participate in the 18th annual Metropolitan Detroit Veterans Day parade on Sunday, November 10.

I've been with the Metropolitan Detroit Veterans Coalition that puts it on since it began, It's grown from 150-200 participants to over 4,000 in those years. We've had, in good weather, 800 + motorcycles leading the parade. Several of our Vet members participate with Vets associations they're affiliated with. I hope to have a good number of SMCB Vets and non-Vets join me. It's a long parade; I'll have my vehicle there with the SMCB magnetic car decals; and room for three (3) passengers.

HELP NEEDED

Our club needs your help. We need a few men to step up and help out. The benefits are many:

- GRATIFICATION- you will see the results of your efforts in a strong club, with activities that enrich your life and other senior men.
- FRIENDSHIP-you will work with other friendly members that might just end up being your new best friend.
- STEWARDSHIP-your efforts will make someone else's life better.
- HAPPINESS- your efforts will be seen by others, who will acknowledge your kindness, your time will be well spent, and you will be respected by your peer group, you will be contributing to the greater good of our community.

We are looking for help in filling these roles:

VISITATION AND HEALTH-Help as a MONTHLY CHAIRPERSON; your role for a given month is to assemble and communicate health status information (recent illnesses, deaths) of members as the club is made aware of them.

Contact John Paesano (rohrad2@gmail.com phone-248-931-4036) if you would like to help.

THE HANDBOOK COMMITTEE-is looking for a volunteer to help assemble and coordinate the printing of our yearly-issued SMCB HANDBOOK. Knowledge of Microsoft Word is needed. You will work with the Handbook Chairman to aid in this critical tool available to all members.

Contact Jack Burns (jackburns1@comcast.net 248-644-7619) if you would like to help.

THE FRIDAY SPEAKERS COMMITTEE-is looking for interested members that would like to actively solicit engaging speakers for our Friday meetings. Be a part of making our Friday meetings the foundation of our club.

Contact Bo Tamarelli (rtamarelli@gmail.com 248-388-2443) if you would like to help.

Join our SCORE group. You can do it.

Our SMCB SCORE group includes: Zeid, Powe, Garner, Rajpal, Strubler, Kafarski, Vorce, Reynolds, Burke, Stone, & R McGee. We recently met for lunch at Dick O'Dows. We shared experiences and best practices. It was fun and productive. We will do it again in a couple of months. Anyone interested in SCORE is encouraged to come.

SCORE is one of the three activities identified as an official Club social engagement opportunity. SCORE is a volunteer organization. It is funded by Congress and administered by the SBA. To become a SCORE mentor, sign up at SCORE.org, complete on-line training and co-mentor three sessions with an experienced SCORE mentor. After that, you are running your own consulting firm. Mentors can choose which entrepreneurs to engage as clients. Mentors set their own schedules. Mentors spend at least 2 hours per week mentoring and take weeks off when needed. Mentoring is typically done via video in one-hour sessions. You will learn new things and feel good about yourself. We also have informative private tours like we did at Garner Walsh Nursery in May and NEWLAB (next to the Train Station) in June.

We are making a difference. Small business is America's growth engine. Mentoring from our SMCB members help small businesses start, grow, and succeed. Every SMCB member is capable! No business experience necessary. SCORE supplies all the training and resources you will need. If you have an interest in joining our SMCB SCORE group call Rich McGee 248 703 7231 or talk to him at a Friday meeting. At least check out the website SCORE.org.

September Camera Club Presentation

Kudos to Martin Rowell for a spirited and informative talk on the evolution of the Jaguar “E” class, known in the US as the XKE.

Beginning with his employment as an Apprentice at Jaguar, in Coventry England, Martin regaled a group of 15 with a slide supported story of the iconic “E” class growing from the post-WWII classic, XK 120. Though never a Jaguar owner himself, Martin had plenty of experience driving “other people’s fast cars”. That part of his Jaguar story included driving corporate guests around London in many Jaguars. Surely the highlight of his time at Jaguar was the good fortune of meeting his charming wife Christel at the Geneva Auto Show when the “E” was launched there in March, 1961.

Thanks, Martin, for your presentation to the Camera Group! Another fine example of the diverse interests within this club and the expertise of its members.

Camera Club

The Camera Club will meet the Third Thursday at Three, October 17, 2024 at the Apple Store, Somerset Mall— first floor, 3 pm. We will have the Apple trainer present the third in a series of I-Phone camera discussions: the photo editing abilities built into our I-Phones, from adding and formatting text on the printable side, to sizing correctly for the size of the print or realignment/leveling, and the various hues to bring out special effects. And other questions you may have. (No Zoom for this hands-on demonstration.)

CLASSIC MOVIE GROUP

On Monday, October 14th at 1:00 PM, Jon Haber will present, via Zoom, the comedy classic “I Married a Witch” (1942) (1 hour / 17 minutes). Directed by the legendary Rene Clair, the story begins during the 17th century witch trials in Salem, Massachusetts, when a doomed young witch, Jennifer (Veronica Lake), casts a spell on her accuser such that he and all of his descendants will have very unhappy marriages. Flash forward to the early 1940’s and a miracle allows Jennifer to come back into the world and apply revenge to the current descendant, a young politician, Wallace Wooly (Fredrick March), who is running for Governor. However, things do not go as planned and she falls madly in love with Wallace, who is soon to be married to another woman. Although lots of unusual situations arise, it all ends well at the film’s conclusion. The outstanding supporting cast and many special effects keep the movie lighthearted, magical and humorous.

The film was both a critical and commercial success, The movie continues to be highly regarded by audiences to this day. The movie has a Rotten Tomatoes score of 95% and IMDb rating of 7.1/10. A preview of the movie is now available to watch by pressing the CMG Movie Preview Button on the Club’s Homepage.

So, mark your calendars now and plan to join Jon, and the rest of our Group, on October 14, to watch, enjoy and discuss this fascinating combination Halloween/Election Year classic film from the golden age of Hollywood.

Please note that the Zoom link for the movie will be at the top of the Scheduled Events eBlast for the week of October 13, which will be published on the previous Friday morning October 11.

Fred Hansz, Chairman

Classic Movie Group Annual Meeting

The Classic Movie Group will hold our Annual Meeting on Tuesday, October 8, from 1 to 3 PM, via Zoom, to select the films to be shown during the coming year. If you enjoy movies and would like to make some suggestions, or possibly sponsor one of your favorite films for presentation next year, please plan to join us. You can also let any member of our Group know of any films that you would like to have considered for presentation in 2025. Watch for the Meeting Zoom Link which will appear in the Weekly Activities eBlast for the week of October 6. We hope to see all interested film buffs at our October 8, Meeting.

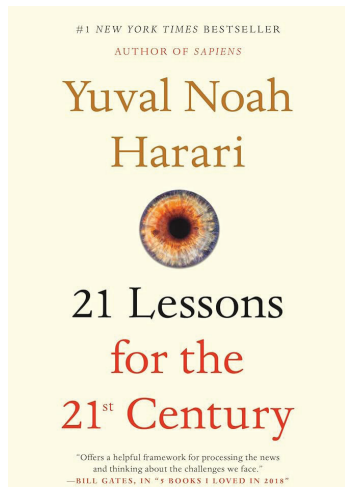

MONDAY AND WEDNESDAY READING GROUPS

Two very different books will be discussed by the Reading Groups in October. The first is a provocative discussion of what is needed to survive in today's rapidly changing world. The second is the true story of a murder mystery that dominated the news in the early 20th Century. Both are sure to continue our tradition of lively and thought-provoking discussions. The two groups will continue to meet via Zoom. As always, all members and their guests are welcome. Please let Bob Maxfield or Roger Timm know if you would like to be added to our distribution list.

Wednesday, October 2, 1030 AM: 21 Lessons for the 21st Century by Yuval Noah Harari (New York: Random House, 2019). This discussion will be led by SwarnRajpal.

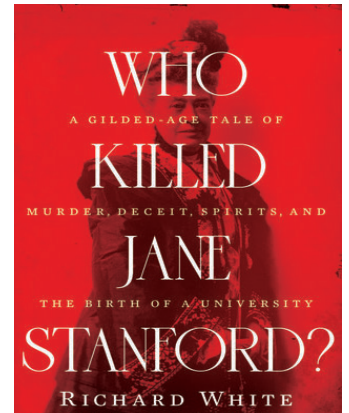

We previously read Harari's book, Sapiens. In 21 Lessons for the 21st Century, Yuval Noah Harari probes into today's most urgent issues as we move into the uncharted territory of the future. As technology advances faster than our understanding of it, hacking becomes a tactic of war, and the world feels more polarized than ever, Harari addresses the challenge of navigating life in the face of constant and disorienting change and raises the important questions we need to ask ourselves in order to survive in a future that will be very different from the world we now live in: How can we retain freedom of choice when Big Data is watching us? What will the future workforce look like, and how should we ready ourselves for it? How should we deal with the threat of terrorism? Why is liberal democracy in crisis?

From Bill Gates in his NY Times review: "Harari is such a stimulating writer that even when I disagreed, I wanted to keep reading and thinking. ...[Harari] has teed up a crucial global conversation about how to take on the problems of the twenty-first century."

Monday, October 21, 3 PM: Who Killed Jane Stanford: A Gilded Age Tale of Murder, Deceit, Spirits, and the Birth of a University by Richard Wright (New York: W.W. Norton, 2023). Doug Koschik will lead this discussion.

In 1885 Jane and Leland Stanford founded a university to honor their deceased son. After her husband's death in 1893, Jane Sanford, a devoted spiritualist who expected the university to inculcate her values, steered Stanford into eccentricity and public controversy. In 1905 she was murdered in Hawaii. To protect her bequests, the Stanford President constructed the story that she had died of natural causes.

From the Wall Street Journal review: "Offering a detective story with more twists and turns than a Dashiell Hammett novel, Mr. White leads us through his research into the labyrinth. Along the way, [he] uncovers a century-long campaign kicked off by the university's first president to cloud the circumstances of Jane Stanford's death. He makes a convincing case for why Jane Stanford's murder was covered up for so long."

Looking ahead to November:

Wednesday, November 6: The Fiery Trial: Abraham Lincoln and American Slavery by Eric Foner (Roger Timm)

Monday, November 18: Co-intelligence: Living and Working with AI by Ethan Mollick (Jim Labes)

Investment Group

Please join us at our next Investment Group meeting being held on Thursday October 10, 2024 at 2:45PM. The in-person and Zoom meeting will be held in the basement level of the Baldwin Public Library. Our speakers will be Dawn Schluter, founding member of Schluter & Hughes Law PLLC, along with her partner Kristin Hughes, JD. www.schluterandhughes.com

Schluter & Hughes Law specializes in estate planning, estate and trust administration, trustee services and estate, gift and fiduciary tax matters. The firm also has dedicated professionals who have the ability to assist with care coordination. As we know there are many different non-profits, foundations and other charitable organizations our SMC members support. Dawn and Kristen will be speaking on how best to plan and incorporate potential donations into an estate plan. In addition, we will hear their expertise on the latest legal changes within the estate and trust administration issues.

Dawn has been nominated as a Michigan Super Lawyers, Estate Planning & Probate since 2008, Best Lawyers in America since 2013 and was nominated as a Top Women Lawyer of Michigan since 2022. Dawn worked with Miller Canfield starting in 1989, and has devoted her career to helping families and individuals with some of their most difficult and most personal needs. Dawn and Kristen, who have spoken to the Club in the past, look forward to answering your Estate Tax and Planning questions.

REMINDER: Please bring your stock game sheets with you to the meeting, as we will be collecting the forms to start the game in mid-October. If you cannot make the October meeting and would like to participate in the stock game, please do not hesitate to reach out to me at 248-990-0305.
